THE FIRST SALE AT OUR NEW STORE.

We are pleased to offer this important sale as a beginning at our new quarters at 21 West 35th Street. It is a sale of varied interest, with many rarities and important lots of Coins, Medals, Tokens, Paper Money, Etc.

Among the collections offered we mention the Kenneth Turner group, collected by Mr. Turner, one of my oldest customers. His lots contain coins I sold him at least twenty years ago. The Hallar Collection is important in United States Issues of Silver. A number of smaller consignments of importance are listed, including choice early United States Gold, Rare and Valuable Gold, Foreign Silver,—Single, Double and Triple Crowns, Much Rare Small Silver, Interesting Paper Money, Fine U. S. Cents, U. S. Greenback Paper Money, Fractional Currency, Choice Coin Cabinets, Decorations, Communion Tokens, Gems, Antiques, Oriental Bronzes, Pottery, Relics, and so on. The Sale is divided into two sessions, each session beginning at 1:30 o'clock in the afternoon. The Lots will be shown only on the days of sale. All persons unfamiliar with my sale terms should read them before bidding as they will be strictly adhered to in every instance. Our descriptions we feel can be depended on. In case of any error, which is called to our attention in the regular way, we will try to remedy same, but we are the ones who will decide on any claims. Send in a good sized lot of bids. This sale is a mere hint of other good things to come. The next offering will be the important collection of Mr. William Belcher, of New London, Connecticut, and will include a large number of important coins, medals and tokens, both ancient and modern.

CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing within 30 days of the date of the sale.

Coins and medals are sold at so much per **PIECE**, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c up to \$2.50, when 10c. advance must be bid, up to \$10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in the lot and you wish to pay \$5.00 for the entire lot, then bid \$1.00.

Auction sales are **strictly for cash**. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing and shipping, but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer. THOMAS L. ELDER.
